MEET OUR EXECUTIVE TEAM

Nadya van der Merwe (Director)

Nadya van der Merwe has acquired over 15 year's experience in the short-term insurance industry, ultimately gaining experience across multiple fields varying from being part of an insurer, moving to a underwriting manager onwards to an independent insurance broker which resulted in Nadya's role in establishing FDC Financial Solutions (Pty) Ltd. During her career, Nadya has had multiple roles ranging from claims negotiator, claims manager, recovery specialist, underwriter, business development manager, product training specialist to general manager. With a strong focus on client relationships, business development, product knowledge and strengthening of partnerships, her main aim is to assist each client with a suitable risk management solution that is affordable to protect their most valuable assets.

Kyle Volschenk (Director)

Kyle Volschenk specializes in the dynamic world of hospitality and got you covered with tailored financial solutions to help you achieve your goals! His team understands the unique challenges and risks faced by the hospitality sector, and they are here to support you every step of the way. Kyle has acquired multiple years of experience in the supply chain consulting industry, ultimately gaining experience across different sectors combined with his years of insurance experience. During his career in supply chain and insurance, he has gained very valuable knowledge into how different sectors work and how to structure commercial insurance. He is now using this knowledge to structure short-term commercial insurance policies in the hospitality industry. His passion is establishing and sustaining valuable customer relationships and creating bespoke solutions for clients to manage their risk appropriately.
